7 February 1969

**MEMORANDUM FOR: IDEALIST/Operations/OSA**  
**Deputy for Operations, OSA**

**SUBJECT: IRIS II Operation and Flight Manual**

1. Attached are two preliminary copies (No. 6 and 7) of the IRIS II Operation and Flight Manual entitled Preliminary Manual, Operation and Flight Manual, Panoramic Camera, P/N 106500G1; Window Assembly, 109200G1; 8011-CAM-1 dated 14 January 1969.

2. These manuals are being forwarded to your office for your study, comments, suggestions, questions, etc. As you will note, the manuals include information which is applicable to field maintenance of the IRIS II. At a later date, this data will be incorporated into the field maintenance manuals. Sections of particular interest to operational personnel are:

- A. Section 8 - Mission Planning Factors - page 8-1 to 8-12.
- B. Section 6 - Pilot Procedures - page 6-1 to 6-2.
- C. Section 1 - Camera System - page 1-1 to 1-6.

Although the above sections are most applicable to your needs, the other sections may be of interest to your personnel and may give them a better understanding of the IRIS II system. Feel free to express your opinion on any portion of the manual.

3. Your comments, suggestions, questions, etc., relating to the applicable contents of the attached manuals along with the manuals, must be returned to me NLT 28 February 1969.
